HOLIDAY SOCIAL & SCHOLARSHIP BENEFIT | 12.09.17

On Saturday, December 9th, Lancaster City & County Medical Society (LCCMS) will hold its Holiday Social and Scholarship Benefit, to celebrate the impact of the local Society and raise funds to support the Foundation's scholarship fund. The event, held at Lancaster County Club, is expected to draw 100 - 125 attendees and will include an evening of networking and entertainment, as well as a silent auction.

Founded in 1844, Lancaster City & County Medical Society is a professional association for physicians. Our mission is to promote and protect the practice of medicine for the physicians of Lancaster County so they may provide the highest quality patient-centered care in an increasingly complex environment. Established in 1991, the Lancaster Medical Society Foundation is a 501c3 nonprofit corporation that was formed to grant scholarships to students from Lancaster County who are accepted or continuing a medical degree at an accredited allopathic or osteopathic medical school and who demonstrate academic achievement along with financial need.
